

he purchased the Roberto-Sunol Adobe in San Jose, which he extensively and carefully restored. The Adobe became California State Historical Landmark No. 898 on March 18, 1977.

Always a business visionary and concerned with California's environment, John was one of the first recyclers in Santa Clara County where he operated San Jose Recycling and Diversified Recycling Services. He also operated the Italian Gardens in San Jose. He was always generous in donating his resources and time to our community.

Prior to his successful endeavors in business John was a dedicated member of our armed services serving in the Army during World War II. He fought in the Battle of Okinawa and was awarded the Purple Heart for wounds received during that historic battle. He helped save our country.

Madam Speaker, I ask my colleagues to join me in sending our condolences to John Anthony Bruzzone's family and in remembering a special man who devoted his life to his family and our country.

Mr. DAVIS of Kentucky. Madam Speaker, I rise today to honor Edward Klosterman, a dedicated community servant and a lifetime member of the Pewee Valley Fire Department from the Fourth District.

Ed Klosterman was born and raised in Crestwood, Kentucky along with his fourteen siblings. He attended Carroll County Vocational School and graduated from Oldham County High School in 1975.

As a dedicated community servant with the fire department, Ed served as a firefighter, instructor, lieutenant, training officer, fire inspector and engineer. When the Fire Department outgrew its old station Ed was pivotal in helping design the new fire station and oversaw its construction.

Ed has received numerous awards from the fire department and has been designated a lifetime member. His retirement on July 14, 2010 was also the 36th anniversary of his joining the Pewee Valley Fire Department.

Ed is the proud father of three children. His daughter Anastasia is a student at the University of Louisville Speed School. His twin sons, Alexander and Andrew followed in their father's footsteps as members of the Pewee Valley Fire Department. IN HONOR OF JUDGE CAROL CRAFTON ANTHONY

HON. MIKE ROSS

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 21, 2010

Mr. ROSS. Madam Speaker, I rise today to honor a respected and dedicated public servant. On July 18, 2010, our state lost a devoted citizen when Judge Carol Crafton Anthony, age 56, died following a lengthy struggle with leukemia.

Judge Anthony was a proud mother, a committed jurist and a loyal Arkansan. Judge Anthony built an outstanding career as a local attorney in El Dorado prior to her exceptional service overseeing six counties as a judge in the 13th Judicial Circuit's Fourth Division.

I had the honor and privilege to know Judge Anthony and I admired her passion for law and innovative approach to justice. She pioneered alternative programs for local youths and drug offenders in an effort to break the cycles of bad behavior and abuse and encouraged these offenders to live productive lives.

My thoughts and prayers go out to her husband Aubra, sons Hayes, Hunter and Clay and daughter Hollis. I know I, along with many Arkansans, will sorely miss Judge Anthony's presence and will try to find solace in the fact Judge Anthony defined what it meant to be a public servant: to leave your community better than you found it.

Today, I ask all members of Congress to join me as we honor the life of Judge Carol Crafton Anthony and her legacy.

TRIBUTE TO LYNETTE ELIZABETH HOFFMAN MILLER

HON. MIKE PENCE

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 21, 2010

Mr. PENCE. Madam Speaker, I rise today to mourn the loss of a dear friend to the community of Sellersburg, Indiana.

Lynette Elizabeth Hoffman-Miller was a devoted wife, loving mother, and courageous warrior in her battle against leukemia. Though the pain of her passing is deeply felt, we will continue to be inspired by the life she led.

Lynette was born on March 20, 1972 in Albuquerque, New Mexico, to Bill and Elizabeth Hoffman. A graduate of Mayfield High School in Las Cruces, Lynette went on to receive her bachelor's degree from New Mexico State University.

Lynette later moved to Sellersburg, Indiana, where she would become an active leader and vital asset to the Hoosier state. She served as the first Vice President of the Indiana Federation of Republican Women, where she excelled in her mission to support Republican principles and promote community service.

A longtime advocate of healthy living, Lynette spent many hours promoting nutrition, exercise, and complementary medicine on her blog. She was very fond of time spent with her mother and sister attending wellness conventions.

Her strong faith helped her and her family through her difficult battle against leukemia. Lynette served on the board of directors of St. Joe on the Hill Catholic Church in Sellersburg. She also taught Sunday school and relished time spent with her family and friends.

One of Lynette's favorite hobbies was to create unique and thoughtful greeting cards and stamps for her friends and loved ones. She was an avid fan of singer Toby Keith and loved the color green.

We have lost an important figure in the Sellersburg community, but I know that Lynette's legacy will not soon be forgotten. Let us keep her cherished family and friends in our prayers during this difficult time, especially her husband Chuck Miller, daughter Cambrelyn, parents Bill and Elizabeth Hoffman, sister Trinette (Jason) Dixon, paternal grandmother Ann Hoffman, and father and mother-in-law Dr. Robert and Lois Miller.

May they find comfort in the Old Book, which tells us that "Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning."

SAFER OIL AND NATURAL GAS DRILLING TECHNOLOGY RESEARCH AND DEVELOPMENT ACT

HON. MICHAEL F. DOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 21, 2010

Mr. DOYLE. Madam Speaker, I rise today in support of the Safer Oil and Natural Gas Drilling Technology Research and Development Act.

The Deepwater Horizon explosion and oil spill has highlighted the pressing need for research on technology to make deepwater drilling for oil and natural gas safer and cleaner.

While the investigations into the causes of the disaster are still ongoing, the disaster has already made Congress and the public aware of the significant shortcomings in much of the oil industry's current deepwater drilling technology—most notably its blowout preventers.

This legislation refocuses the Department of Energy's deepwater drilling research to place higher priority on research on technology that will increase the safety and reliability of deepwater drilling technology in the years to come—and rightly so.

The National Energy Technology Laboratories facility in southwestern Pennsylvania has been the Department of Energy's leader in research on ultra-deepwater drilling for oil and natural gas for many years. NETL has a talented staff with unparalleled expertise and a long and successful record of research
